Father's Corner

The Usher Ministry

The Usher Ministry consists of Corpus Christi Church members that work , as a group, to ensure that mass attendees are greeted and provided any assistance, when warranted. This assistance includes, finding available seating, resolving any issues that may cause discomfort, or just a friendly chat during good and bad times. We help Father in keeping things moving smoothly, with a smile. We are always looking for a friendly smile to join our group. Very little training is required. There is a dress code for this ministry. Winter dress is black suit, with white shirt or blouse. Summer dress is white top, with black slacks or skirt. Dwight Bell is your point of contact at 405-734-6530.
